

## HALLOWEEN CANDLES

Halloween candles

### What you'll need:

### Other Supplies:

- Candles (orange and black)
- Pencil
- Paintbrush

## Step by step direction

---

### Step 1

Draw your design of witches and pumpkins onto the candle with a pencil, pressing lightly initially and more firmly when you are happy with the design.

### Step 2

Using the Dremel 300 Series and engraving cutter 107, engrave the design onto the candle, working slowly and steadily so that the lines are of an even depth.

**Step 3**

Brush the surface of the candle with a soft paintbrush to remove any excess wax.

**Step 4**

Finished Project.
